During vacation, **May 1-7**, we invite You and Your friends
to take part in a unique camp where we learn:

- why and how the **ecology** has become fashionable
- how **Green Peace** and **Torah** are connected
- where... **good mood** comes from:)

New, hot, romantic and simply unforgettable summer approaches!

- "The summer is taking too long. It won't arrive at all!", - students would gloomily say...
- Really, why is it possible to have a rest only during summer?
- We will break stereotypes and combine the compatible with the incongruous!!!

Test Yourself as:

- an amateur volunteer
- a yoga practitioner
- a lab chemist

Find:

- bodily and spiritual balance
- a possibility for self-expression
- friendly atmosphere

- and many new impressions and useful acquaintances!

Cognitive -educational-entertaining-positive project SHITUF PEULA !

Are You already 16?

You want *a new scene* and *a new burst of energy*?

Our expectations:

- cordial company, warm atmosphere
- mutual aid, variety of activities
- fresh air, romantic mood
- interactive trainings, up-to-date information on everything Jewish
- and certainly an opportunity to have a closer look at some religious-traditional aspects of Jewish life

So, the world begins with You!
